

CLIPPER round the world

Yacht RACE

2009/10

BOAT DELIVERY OPPORTUNITY

The Clipper Ventures Round the World yacht race is due to finish at Hull on Saturday July 17th 2010. The boats are then due to leave Hull on Monday July 19th for delivery to their home port of Gosport.

9 crew places for the delivery trip are being offered to members of the RYYC. Some offshore sailing experience is an essential pre-requisite. This is a delivery and not a cruise, and the boats will be sailing non-stop to Gosport. Applications from qualifying members will be considered by Clipper Ventures on a first come, first served basis. There is no guarantee that applicants will crew on the same boat, although Clipper Ventures will endeavour to arrange this. Food and beverages will be complimentary, but participants will be responsible for making their own way home from Gosport. Those taking part will be required to undertake a one day familiarisation course on the ex-Clipper 'One Hull' in Hull Marina one or two weeks prior to departure. More detailed information nearer the time.

Applications please to David Armstrong at 5 Downe Street, Drifffield YO25 6DX. Email: carole.armstrong571@btinternet.com or mobile 07971 024 624.

For information: The course of the final leg of the Round the World race is being re-routed via Flamborough, and the boats will be racing in the bay on the afternoon of Friday 16th July before making their way to the finish at Spurn in the early hours of Saturday 17th before sailing to Hull.
