

**BUOYS FOR POINTS HANDICAP FUN RACE**

**HIGH WATER TBA**

**BASIS OF RACE** To accumulate as many points as possible by passing racing marks on the Bay Course (2004 Revision) card excluding the Blyth Park marks (A - D).

**PREPARATORY FLAG F TBA                      START CLASS F                      TBA                      LINE 1**

**FINISH** 1700HRS or after two hours should the start be delayed.  
**NB** 1. There will be no finishing guns or flags after the usual starting procedure but Race Control will record finishing times.  
2. There will be a five point penalty for every minute or part minute exceeding the time limit. No credits for being early!

**SCORING** 1. Please list the marks in the order that you pass them. Two boat lengths from the mark is acceptable as a pass.  
2. In order to eliminate shuttling between two marks no mark will score unless there are two marks of a different number in the recorded sequence. Apart from this there is no restriction on how many times a particular mark may be visited.  
3. Either marks W or G must be visited at least once. (Weather conditions may require this to be changed - see notice board)  
4. Actual points scored will be adjusted by a factor based on Portsmouth Yardstick.  
5. Please return your score sheet to Race Officer. Results will be announced in the bar lounge. This is a 'FUN RACE' - no race flags but 'prizes' may be awarded.
