Races to count for trophies

Class	Number of races	Number of discards
A & B	6	1 after 4 races
E	9	1 after 4 races
R	7	1 after 4 races
C & J	12	1 after 4 races

Commodore's Rose Bowl

The winner will be calculated by dividing the number of first places achieved by the number of races in the relevant class series. Any tie will be broken by the class with the highest number of entries. Minimum of six boats entered for each race for that race to count towards the Commodore's Rose Bowl.

Champagne Prizes

Each class will receive a special prize to be awarded based on all races in the series for which a result has been obtained. No yacht in receipt of a place flag in any race is eligible.
